CIAA Member Meeting Friday, November 7, 2014

9:30 am - 11:30 am
Saddle Brook Marriott
138 Pehle Ave.
Saddle Brook, NJ

Featured Speaker:

Tim Hunt, Global Strategist,
Dairy at Rabobank North America Wholesale

Global Dairy Dynamics and Implications for US Cheese Trade and Investment

"The global dairy industry heads towards the close of 2014 facing a slow international economy, falling Chinese appetite for imports and a Russian ban on key dairy suppliers. Yet US cheese markets continue to expand, prices have held up strongly, and a stronger US dollar is increasing the appeal of importing cheese to the US. Rabobank will address the impacts of shifting global market forces on US dairy imports and inbound investment, and how these may shape the outlook for 2015"

This meeting will also include the history of CIAA
presented by David Voremberg, Jana Foods
